#### SCR 123

#### BY JUDICIARY AND RULES COMMITTEE

#### A CONCURRENT RESOLUTION

STATING FINDINGS OF THE LEGISLATURE AND CREATING A TASK FORCE TO STUDY ISSUES RELATING TO FAMILY CAREGIVERS.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, family caregivers are an essential part of Idaho's health care system, providing uncompensated support and care to ill or disabled family members or loved ones; and

WHEREAS, family caregivers are valued community members who are the backbone of Idaho's long-term care system; and

WHEREAS, the State Healthcare Innovation Plan is focused on redesigning Idaho's health care delivery system to evolve from a fee-for-service, volume-based system to a value-based system of care based on improved health outcomes; and

WHEREAS, uncompensated family caregivers in Idaho are an essential part of the medical neighborhood, the medical neighborhood being the array of services that are available to patients beyond the scope of a patient-centered medical home; and

WHEREAS, the State Healthcare Innovation Plan envisions better connection of the patient-centered medical home to the rest of the medical neighborhood in order to improve care coordination and care quality and reduce costs and duplication of services; and

WHEREAS, half of Idaho's 44 counties are frontier, with fewer than seven persons per square mile, resulting in areas that lack access to many levels of health care, including access to caregiving resources; and

WHEREAS, the population of the state that is 65 years or older is projected to reach 370,000 in 2032, a significant increase from 2012, and this demographic represents the fastest-growing population in the state; and

WHEREAS, Idaho has 137,099 veterans, with an estimated 19,041 who suffer disabilities, including 1,645 who are completely disabled; and

WHEREAS, an estimated 53,280 Idaho children have a special health care need, and an estimated 18,820 have a serious emotional disorder; and

WHEREAS, providing services and support to Idahoans in their homes and communities is generally less expensive than institutional care; and

WHEREAS, individuals who receive care at home are less likely to need public assistance; and

WHEREAS, at any time during the year an estimated 307,000 adults in Idaho provide care to adult relatives or friends, which equates to an estimated 201 million hours per year and an estimated value of \$2 billion per year; and

WHEREAS, approximately two-thirds of Idaho's unpaid caregivers are employed or looking for work, and their caregiving responsibilities therefore have an economic impact on families and employers in Idaho; and

WHEREAS, more than half of care recipients are under the age of 75, and almost one-third are under the age of 50, thus indicating that caregiving is a multigenerational issue in family life that also impacts a broad spectrum of individuals with chronic illnesses that necessitate family caregiving throughout the lifespan; and

WHEREAS, approximately 22,000 Idahoans are living with Alzheimer's disease or a related disorder, and an estimated 77,000 individuals, many of whom are unpaid, provide caregiving responsibilities for people with Alzheimer's disease or a related disorder; and

WHEREAS, to successfully address the surging population of older adults and people with disabilities who have significant needs for long-term services and support, the state must develop methods that both encourage and support individuals who assist family members and must also develop ways to recruit and retain a qualified, responsive in-home care workforce.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-third Idaho Legislature, the Senate and the House of Representatives concurring therein, that the Idaho Caregiver Alliance convene a task force to coordinate and develop a comprehensive set of recommendations to inform stakeholders regarding innovative solutions to support uncompensated family caregivers in Idaho and to provide information to those who may serve as a caregiver in the future.

BE IT FURTHER RESOLVED that the Idaho Caregiver Alliance recruit members to the task force who represent a broad array of caregiving stakeholders.

BE IT FURTHER RESOLVED that any advisors to the task force who are not legislative members shall not be reimbursed from legislative funds for per diem, mileage or other expenses and shall not have voting privileges.

BE IT FURTHER RESOLVED that the task force hold an organizational meeting by May 31, 2015, and at such meeting

elect a chair or co-chairs and adopt any rules or procedures that are necessary to conduct its business.

BE IT FURTHER RESOLVED that the task force identify policies, resources and programs available for family caregivers and methods to support family caregivers and integrate this component of Idaho's health care system into the State Healthcare Innovation Plan medical neighborhood model.

BE IT FURTHER RESOLVED that the task force compile an inventory of the resources available to family caregivers in Idaho.

BE IT FURTHER RESOLVED that the task force report its findings and recommendations to the Second Regular Session of the Sixty-third Idaho Legislature.

#### SCR 124

#### BY JUDICIARY AND RULES COMMITTEE

#### A CONCURRENT RESOLUTION

STATING FINDINGS OF THE LEGISLATURE AND AUTHORIZING THE LEGISLATIVE COUNCIL TO APPOINT AN INTERIM COMMITTEE TO UNDERTAKE AND COMPLETE A STUDY OF POTENTIAL APPROACHES TO THE APPOINTMENT OF ADMINISTRATIVE HEARING OFFICERS FOR CONTESTED CASES.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, state agencies and members of the public are often opposing parties in a contested case administrative hearing; and

WHEREAS, an order issued in such a contested case can determine legal rights, duties, privileges, immunities and other legal interests; and

WHEREAS, administrative hearing officers in contested cases play an integral role in determining the outcome of contested cases and any orders that are issued; and

WHEREAS, hearing officers should have the independence and expertise to conduct a fair and thorough hearing; and

WHEREAS, allowing agencies to hire hearing officers in contested cases where the agency is a party is contrary to and does not promote independence of the hearing officers; and

WHEREAS, having an available pool of qualified hearing officers with consistent contract terms, and who are assigned randomly and independent of the agency involved in the contested case, will promote and preserve impartiality and due process for the citizens of Idaho; and

WHEREAS, current contested case procedures, including those pertaining to discovery, are uneven and inconsistent; and

WHEREAS, significant issues exist as to whether current standards for judicial review of contested case proceedings are adequate.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-third Idaho Legislature, the Senate and the House of Representatives concurring therein, that the Legislative Council is authorized to appoint a committee to undertake and complete a study of contested case procedures, judicial review of contested case proceedings and potential approaches to appointing administrative hearing officers including, but not limited to: creating a viable pool of candidates to serve as impartial hearing officers; determining which cases and state agencies may require a pool of candidates with special technical expertise; and determining model contract terms for all hearing officers. The committee shall consist of ten legislators, with five from the Senate and five from the House of Representatives. The Legislative Council shall authorize the committee to receive input, advice and assistance from interested and affected parties who are not members of the Legislature.

BE IT FURTHER RESOLVED that the cochairmen of the committee are authorized to appoint advisors with technical expertise in the area of contested case administrative hearings and hearing officers and are expected to receive input from stakeholders in various state agencies.

BE IT FURTHER RESOLVED that any advisors to the committee who are not legislative members shall not be reimbursed from legislative funds for per diem, mileage or other expenses and shall not have voting privileges.

BE IT FURTHER RESOLVED that the committee shall report its findings, recommendations and proposed legislation, if any, to the Second Regular Session of the Sixty-third Idaho Legislature.
